Hello Amy,

That works for me. I will be sending an updated report to Dave today.

I will also be sending another 1-2 updates prior to the City Council meeting.

Thank you and have a wonderful holiday,

Michael

Subject: February 4th for Council Meeting?
Importance: High

Hello-

Thank you to everyone who is keeping this project moving along. I still want to keep the same dates for the inspections, etc., but it would help me to have a couple additional weeks to work on the report, i.e., move the City Council meeting date to February 4th instead of January 21st. However, I want to make sure that date still works for you both. Please let me know this morning if possible. Thank you.

Sincerely,

Amy Seeraty
